Due to change of business plans , i am selling a closed body ud40 , in excellent running condition , tyre's are steel belt michelins which only did +/- 10 000 km (spent R10000), recently serviced, motor was overhauled in Aug 2013 spent R20000 (i do have the paper work) , new motor only did 10 000 km and is currently in use , roadworthy has been done recently . Don't miss out on this good reliable owner driven truck for only R127000.00 . (spedo cable not working & drivers seat does have a tear which can be sorted out in the new year) . The truck does come with a spare wheel , 30 ton jack ,wheel spanner, triangle and fire.
