Selling my Gigabyte GTX 750 1GB graphics card, still in great and Very clean condition.

Molex to 1x 6-pin power adapter as it requires 1x 6-pin power connector to run.

Still plays games at very decent graphics settings. Included list of games I am able to play with this card. Great graphics card for getting into gaming.

I want R900 for the card. Price is Negotiable No box unfortunately Would prefer contact via Whatsapp or.
