

## 60cc All Kart Go-kart For Sale (6500 R)

I have a 60cc go-kart up for sale. It is in good running condition. It does need a good clean up, but mechanically it is in running very nicely. There is 1 plastic panel that would need replacing at some point, you will see the cracked plastic panel that is mounted in front of the steering column. I have seen smaller sized karts for literally double the price. I am not willing to negotiate, my price of R6500 is final. Payment terms: either cold hard cash or an EFT can be done, but in that case, I will only release the kart to you once the funds have cleared into my banking account and not a second sooner!

For more information, contact me on 071 362 7127. Kart to be collected in
