TomTom runner 3 Bluetooth ear buds. Hi I am selling a pair of brand new TomTom Bluetooth ear buds. They have never been used so they are in excellent condition no damage to them. The comfort on these is amazing also the sound quality is crystal clear and they are sweat prof. These Bluetooth ear buds would make a excellent companion for any activity like running, gyming, cycling, . They do work with any Bluetooth device so it doesn't have to just work with TomTom's products.
