Convert your old cassette tapes to digital files for music on the go. Turn your tapes into MP3s* and listen on your computer, iPod, in the car, or in the palm of your hand! Tape Express + is a portable, handheld USB tape player that works with all kinds of tapes. It has an easy-to-use USB connection for sending the music on your tapes right into your computer where it's instantly turned into MP3* files. You can listen to MP3s* on your computer, load them onto your portable music player, or record them onto a CD and listen in your car.
