

## **Smart Watch Phone (304 R)**

Location Gauteng, Centurion https://www.freeadsz.co.za/x-225935-z

This stylish GSM smart watch has lots to offer. First, it comes with a nice Apple-inspired design - at only a fraction of the price of some of the branded models on the market. The watch features a convenient adjustable strap to ensure it sits nicely on your wrist, even through an intensive workout.

There is a multitude of smart features to discover. With the GSM watch, you will be able to make and pick up calls directly from your wrist in most parts of the globe. The watch will also get you on the right track when it comes to fitness. You will be able to count your steps, calories and get notifications if you spend too much time behind the desk. Even when you go to bed, the Sleep Monitor will ensure you get the most out of your rest.

Pair the smart watch up with your phone and discover even more functionality. Use it as a camera trigger for your Android phone, check social media updates, listen to music and more Shop for these exclusive watches online at www.techoutlet.co
