Convert your old cassette tapes to digital files for music on the go. Turn your tapes into MP3s and listen on your computer, iPod, in the car, or in the palm of your hand! Tape Express is a portable, handheld USB tape player that works with all kinds of tapes. It has an easy-to-use USB connection for sending the music on your tapes right into your computer where it's instantly turned into MP3 files. You can listen to MP3s on your computer, load them onto your portable music player, or record them onto a CD and listen in your car.
