Waterproof Shockproof Dustproof An excellent camera - a few scratches, with external battery charger This revolutionary TOUGH model introduces the World's First Ultra-Bright, High-Speed f2.0 lens on a Tough camera allowing you to capture dramatically better images in low-light and fast action situations. The combination of durability and outstanding image quality makes it possible to shoot in even the harshest of conditions. Just imagine: capture beautiful underwater scenes and aquatic life, snap photos of triumphant arrivals to dusk-lit peaks, record your ride down the rapids in dazzling 1080p Full HD Video. The possibilities are truly endless. Waterproof Shockproof Dustproof An excellent camera - a few
