DEFY DAW370 6KG METALLIC AUTO-WASHER (3799 R)

Location Gauteng, Pretoria https://www.freeadsz.co.za/x-22779-z

Brand New

In regular machines, nearly 25% of the detergent is lost through the drain before interacting with the laundry. The Defy AquaFusion Technology blocks the tub outlet to keep all the detergent inside the washing tub, giving you perfect cleaning results. To ensure optimum performance, the amount of water is automatically adjusted to suit the load of the laundry and the type of fabric washed. Automatic Controlled water consumption leads to greater efficiency, benefiting the environment and saving costs. A+ Energy Improved energy efficiency compared to A energy rating to save more on electricity costs and benefit the environment.
