

Citroen C3 - 2006 Model

Location **Gauteng, Midrand**

The car as seen from the photos goes for a mere R30.000 (Highly-Negotiable) since it is not 100% mechanically sound. It need attention on its "Computer-Box". Other than that setback...it is quite a brilliant car, cost-efficient on fuel and effecting to compete on South African roads.

This car would go for R45,000 had its Computer-Box was not an issue with its running condition.

Your brilliant and irresistible offer is of course expected...
