- wood painted wall decor for boys.

For sale: 'Truck-n Cars'

WOW Truck, WOW Truck was my 23 month old's response when I made his first car storage holder.

Not wanting to use stickers, as he will have a blast at removing them, we realized that not only does this wooden truck look great, but it is a practical storage solution for all those cars lying around.

Feel free to request specific colors that you would like the truck to be painted. My husband suggested the transformer's Optimus Prime colors for the example. Boys and their toys smile emoticon

The dimensions are: 150 x 40 x 3 cm

Please note that screws, double sided tape and the actual cars are not included.

Price- R680 (delivery can be arranged via postnet @R99)
