For Sale - CASIO Edifice Watch:

Model No: EFR 528D - 1A

The watch condition is as new. I've recently had the entire casing replaced because I broke the glass. The casing was replaced by James Ralph Techno (official distributor of casio parts). Pressure test was performed by them as well. This watch is in very good condition - still has its screen protector film (post casing replacement). It also has a new battery. It cost me R4000. Please whatsapp me at 0827850840 if you'd like to see it (public place). Still has original packaging/strap extension pieces.
