Rare Musgrave Model 1908 Delux 30-06, with 2-6 x 42 optic (Japanese Lynx) and steel rings. Bedded at factory (Bloemfontein) making this an exceptionally accurate rifle!

It shoots .5 MOA at 100 meters with Hornady SST ammunition.

Stunningly accurate and in good condition with very few rounds fired. Couple of boxes of ammunition, sling and bag also included.

It is a beautiful rifle, valued by two separate gunsmiths at around R35000 because of the 1908 model designation which I'm told is extremely rare and sought.
