This property is ideal for someone that wish to have his own little private game farm. The periphery fence is 3.2 km long. The farm borders game farms on the eastern and northern boundaries. On these sides the fence is already a 2.4 m high game fence and is 2 km long. The fence on the southern and western sides is a normal 1.4 meter high and is 1.2 km long. The owner will assist the tenant to upgrade this portion of the fence to a game fence. There is not a house available but a bush camp can be established with water and electricity or the tenant can provide his own cabin, caravan or other structure. Safekeeping of valuables can be arranged. The lease can be long termed and the owner will protect all game to the beast of his.
