VIDEO 2 PC is a video conversion system that captures, converts, and improves the quality of nearly any video and audio source. The result is high-quality digital videos on your computer. You can watch your upgraded videos on your computer, record them onto a DVD, or load them onto your portable video player, such as PSP or iPod. For even those with almost no computer experience, VIDEO 2 PC is easy to connect to VCRs, camcorders, and most other video-playback sources. Simply plug in the three color-coded cables on one side and the standard USB jack to your computer, and you're set.
