Fisher and Paykel has packed the SleepStyle 200 Auto Series with tons of features that enhance patient comfort and provide a personalized treatment system. All SleepStyle Series machines utilize a built in heated humidifier, providing humidification at the touch of a button. Track your therapy effectiveness with PerformanceMaximizer Software and its SmartStick removable media.

The SleepStyle 200 Auto Series is designed to provide pressure on-demand utilizing a flow-based auto-adjusting algorithm that continually checks for flow limitations, apneas, and hypopneas. Fisher and Paykel has created a fully integrated system that includes several comfort features such as Altitude compensation up to 9,000ft, leak compensation, and a new SensAwake.
