LG ARX8500 5.2 Component surround sound system for sale. Superb sound with bass blast. Total of 7 speakers (2 x front floor standing, 1 x center, 2 x rear, 2 x sub woofers). In excellent condition. Total power = 1250 watts of quality sound. Inputs as follow 2 x HDMI , 2 x Optical 2 x Coaxial and 2 x AV. I still have the boxes. Not used much as I had a TV in my bedroom. Sadly I have to sell it as I am scaling down, i.e. retirement flat let. . My price for an excellent system is R4800..Price.
