Some Beach Somewhere...
There's a big umbrella casting shade over an empty chair, palm trees are growing, warm breeze is blowing, I picture myself right there, on *Some Beach Somewhere*

The resort has lavished green grass, big trees, beautiful gardens and 2 swimming pools. It has a river that flows through the park with some spectacular small water falls after rains. Our beach front is protected by sea bush but nevertheless has fantastic sea views to watch dolphins and whales at play whilst you sit back and relax.
