*Your gateway to all forms of communication!*

The job of a voice-over artist is to make the voices jump off the page. This course introduces you to various voice-over scripts which present different demands. It is important that you identify the various voice-over scripts in order to approach them in a creative and intelligent manner, which satisfies the needs of the client.

Benefits:

- Skills to practice voice-over's.
- An understanding of what is required to be a professional voice over artist.
- How to use your voice when reading voice-over's.
- What to look for when listening to voice-over's of other people.
- Clear diction
- Flexibility to do Commercial, commentaries and other voice-over's.
