Great condition. Refurbished PC has decent hardware inside , a dedicated graphics card, plenty space for photos, videos, music and movies and a DVD writer for backing up data. The specs of the pc are as follows.

The CPU is a reasonably well rounded 2.0Ghz Intel Pentium Dual Core, with a fair amount of ram In you will be able to enjoy fluid and stable use as 4Gb DDR2 is enough for most applicational use, the hard drive is a Seagate barracuda and has a capacity of 250Gb, the dedicated graphics card is a ASUS Nvidia Geforce 9400GT with a large memory capacity of 1Gb and a brand new 450watt power supply for better stability and for future upgrades, lastly a LG Dual Layer DVD writer for installing your programs and games and backing up your most important data.

Cash only, No Delivery, Whatsapps welcome. My number 078 815
