Product Overview

Never worry about your devices running out of power when on the move with the Promate proVolta-9, a massive 9000mAh rechargeable power bank designed to power up your devices wherever and whenever. Unique, compact and multifunctional, proVolta-9 additionally features a remarkably bright LED-light, which can be used as a torch. The dual-port charging outputs lets you charge two devices simultaneously and the auto-power function ensures that your power bank shuts off automatically when not in use. Power on the go with proVolta.
