Our products would be ideal for the farmer, hunter and outdoors man, but can be suitable for the cameraman, plumber, electrician or any other technical team that needs to secure tools and keep equipment dust free. We are the Centurion based company, with the know-how and expertise to help you design and build any custom Box. We are committed to create and manufacture the most practical vehicle storage equipment to suit your specific needs. We work in steel, stainless steel and aluminium, and we pride ourselves on the quality of our products. Apart from our standard range of products, we will work with your specifications to deliver a custom-built product. A variety of additional extras to the standard range is available to give you a more luxurious
