Ultra Solar is a family owned company and is a registered company known as Ultra Solar Trading (Pty) LTD. We started the company in 1990 because there was a place in the market for a professional product and expertise. We are proud to say that we now hold this position and are highly recommended in the trade.

We are manufacturers of the well known Pool Solar Heating which is marketed as an Ultra Solar Panel. Intense research was done to make the best suited panel for South African conditions. With all this in mind the Ultra Solar panel was born. The compounds used have a 30 year life expectancy and has got the greatest heat collection and transfer to date.

All installations are done to international standards and are neat and pleasing to the eye. Custom systems will be made to suite clients needs and to compliment the.
