Personal Video Recorder for sale with matching Satelite Dish (7266cm) (800 R)

Gauteng, Johannesburg Location https://www.freeadsz.co.za/x-28472-z

PVR or personal video recorder has 500 gigabytes with HDMI capability and the possibility of adding additional memory via USB port. This model is designed to work with Multichoice satellite services on the IS20 (South African) Satelite.

Comes with required addons such as remote, power cable, HDMI/RCA cable and documentation. Model number is DSR4828 from Altech.

The satellite dish is in perfect working order and was used with the above PVR. The model number of the receiver (or feed horn) is Lk7US-CP as shown in the picture and the dish includes a wall mount on the

I am asking R400 for the satelite dish and R500 for the decodder. I will take R800 for both of.
