The car has been fully owned and comes with full service history. The car has been in Gauteng since 2012. One of the reasons for the 150,000 km of year is that it is why the body is so clean. The car is always in parking in the garage, so the car never has not been used, even on the road. The car is in trust on the body, and all the panels line up 100 percent. The vehicle has never involved in any accidents. The car was well taken off in mode and out. . There are also some guns in Durban who carry parts and body panels (used). It is an automatic which if driven under eco mode, is very fuel efficient and fast. If you switch over to sport mode, which is a touch of the button the car becomes super fast. Everything works on the car, even the small stuff like the light up mirrors, on the sun shade. It is really a beautiful car to drive and it goes super smooth. It just went thru a fair cor, and passed with flying colours, and the cor is still valid as it was done at the beginning of October 2015 . Also, just purchased a

new licence disc, which will expire in September 2016. The only reason I am selling this car is because, I want to get an SUV OR 4 door car. So I am letting the car go for a very good price. . Please contact Steve 0825250807. Asking for R36000 onco which is a very fair price, based on the features and condition. Will also consider a
