 Auto cruise control

This is a SAAB 93 2.0LT TURBO  
 The car has only been owned by one owner and has full service history. The car was bought in Gauteng in 2012. Only driven for the last couple of years. It is in very good condition, why the car is so clean. The car has been parked in a garage, so the car has not been exposed to the sun, even though it is red. The car has no rust on the body, and all the panels line up 100 percent. The vehicle has never involved in any accidents. The car was well taken off inside and out. There are also some guys in Durban who carry parts and body panels (used). It is an automatic which if driven under eco mode, is very fuel efficient and fast. If you switch over to sport mode, which is a touch of the button the car becomes super fast. Everything works on the car, even the small stuff like the light up mirrors, on the sun shade. It is really a beautiful car to drive and it goes super smooth. It just went thru a fair cor, and passed with flying colours, and the cor is still valid as it was done at the beginning of October 2015. Also, I just purchased a

new licence disc,which will expire in September 2016.The only reason I am selling this car is because,I want to get an suv OR 4 door car.So I am letting the car go for a very good price. .Please contact Steve 0825250807. Asking for R36000 onco which is a very fair price,based on the features and condition. Will also consider a
