 has been the owner's own car, full service history. The car is based in Gauteng, Johannesburg, 2001. One of the reasons for the car's condition is that it has never been parked in a garage, so the bodywork has never rusted, even in the winter. The car is in excellent condition, with all the panels lined up 100 percent. The vehicle has never involved in any accidents. The car is well taken care of inside and out.
