Hi people. I have a Matt black microbus. It is in perfect running condition. Body is in good condition. The Kombi's side door is flipping open. The kombi needs a alarm system. The doors are opening electronically (NO DOOR HANDLES). Then I have installed a front wheel drive gearbox and a 2E 2L motor 8 valve. It has 1 seat at the back which can fold down to make a big bed. The interior needs work. 2 door pannels needs making and fitting. Then some leather work needs to be done. I have bought and installed brand new fuel pump, Spark plugs, new distributor, fan switch, hydraulic lifters. Motor was redone. new carburetor, new manifold and lots more. The cluster is from a Jetta three. Everything is working except the rev counter. The kombis gears are working fine. And it is a 5 speed gearbox. And the kombi has new tyres on as well. Angel eyes in front. I want Thirty five thousand neg. The Kombi has papers and still road worthy till 2014/12/12. The engine I bought has gone for a police clearance and will give the letter that I bought it. Kombi needs work but nothing major. I stay in Pretoria Kameeldrift east. You come to me and view the kombi. No EFT's or cheque's. Cash only. Please no sms's or pcm's. If you want to know something email me or phone me. Or swop me for
