Design Scape Architects are one of Africa's leading architecture firms. With a team of innovative Architects in Cape Town and Durban, we are able to work on exciting projects across the country.

As such, our nation's rich architectural history and how it relates to the built environment informs our work. Certainly, we take pride in every project that we are a part of, offering unique and sustainable architectural solutions. We offer clients a full architectural service as we work and guide them through the process.

Design Scape offers only the best in knowledge and experience that the industry has to offer. From inception to completion, we are known as one of the most innovative architectural companies in Cape Town and Durban.
