Between international Buyers and African stone Suppliers and to also engage Buyers in buying African products. We make sure that Buyers understand the Stone Industry and buy the right products from professional manufactures, suppliers and fabricators in Africa.

We provide Buyers with verified fabricators and we display all sorts of stones (products) directly to the Buyers in each and every country, province and city. We provide Buyers requesting Service Providers with our registered companies. If a Supplier or fabricator breaks the rules of Customer Service Delivery, we remove the supplier from our data base until otherwise. We do all the marketing of the products to all

Buyers channels and if we receive buying request, we will then forward to the nearest Supplier registered with us. We note the highest bid and negotiate the lowest price with the winner. If they are more than one supplier, we will select an area winner, we will forward all of them the Buyer's request and Supplier's Service providers will bet on the bid and represent and bid to win the buyer. We are not responsible for the disputes that may arise between the service provider and the buyer, we will send a complaint to the Buyer to improve our Service providers customer care.

4 companies that may register with us for all quarry miners, fabricators and stone installers. We will  
market all products from Stone blocks to finished products (eg. granite blocks, gravel stones, granite  
slabs, tombstones, tiles, bricks and all stone products. All you need to do is fill in the application form on  
the next page and you start getting our daily Buyers request and the contact details. Send us your  
products too for display and we will back up with showrooms soon so that Buyers may visit and see the  
finished products Africa wide and abroad. We aim to save all Buyers with right Service Providers and
