The DRM can handle both the most demanding of households as well as cafes and coffee shops with high production and consistency you'd expect from a grinder of this caliber.

Infinite espresso settings mean finding the perfect shot quickly becomes a reality as the DRM allows you to truly fine-tune your grind.

Large 64mm burrs on the DRM remove any doubts about consistency, ensuring you only the best of drinks come out of your machine.

With a sturdy stainless steel body, the DRM is in this thing for the long.
