An Online home Data Processor, great opportunity for stay at home moms or anyone who wants to work in the comfort of your own home. This is a genuine offer and not to be confused with scams!

Requirements: You will need a computer with Internet access, valid email address, average typing skills and basic Internet knowledge.

You will be processing orders from your computer. How much you earn is up to you. The average income is R2500-R4500 per week, depending on if you are working part or full time. If you would like more information, please contact jana.muller220@gmail.com
