We all love our pets very much. As members of our family, they give us company and joy without asking for much. Having an animal at home is also a great way to improve the energy around us as they lighten the mood at all times.

This is a protection spell for pets, including cats, dogs, birds, turtles or any other household animal. It will protect a pet from theft so that they don't get lost or sick. In ancient times, healers used pet protection spells to keep farm animals such as chickens and horses safe. Today, we can cast a spell to protect our pets, giving them long life, positive energy and joy.

How to Celebrate Your Pet's Life With a Wiccan Ritual We all love our pets very much. As members of our family, they give us company and joy without asking for much. Having an animal at home is also a great way to improve the energy around us as they lighten the mood at all times.
