Welcome to Dr Muhamed +27736844586 HEALING centre's only official page am an Indian Spiritualist, African Traditional Healer and Psychic Reader

By the age of 11 I became an apprentice to a powerful African Sangoma who realized my abilities and accepted me as her apprentice. Over the years I learnt African Traditional Healing. I learnt all about Traditional spells, rituals, how to make Traditional Medicines and how to call ancestors and speak to them.

In the year 1992 I decided I want to be a certified African Traditional Healer, so I went to a beautiful place in Cape Town called White Mountain where I studied all there was to learn about African Traditional Healing, for four years, and received a distinction certificate.

I now have 28 years of experience in Indian Spiritualism, African traditional healing and Psychic Reading and my clients regard me as unmatched Dr Muhamed +27736844586
