Let me try and help you with love spells, traditional healing, native healing, fortune telling, witchcraft, psychic readings, black magic, voodoo, herbalist healing, or any other service your may desire within the realm of African native healing, the spirits and the ancestors. I am a sangoma and healer. I could help you to connect with the ancestors, interpret dreams, diagnose illness through divination with bones, and help you heal both physical and spiritual illness. We facilitate the deepening of your relationship to the spirit world and the ancestors. Working in partnership with one's ancestors is a gift representing a close link with the spirit realm as a mediator between the worlds.* Witchdoctors, or sorcerers, are often purveyors of mutis and charms that cause harm to people. we believe that we are here for only one purpose, to heal through love and compassion.* African people share a common understanding of the importance of ancestors in daily life. When they have lost touch with their ancestors, illness may result or bad luck. Then a traditional healer, or sangoma, is sought out who may prescribe herbs, changes in lifestyle, a career change, or changes in relationships. The client may also be told to perform a ceremony or purification ritual to appease the ancestors.* Let us solve your problems using powerful African traditional methods. We believe that our ancestors and spirits give us enlightenment, wisdom, divine guidance, enabling us to overcome obstacles holding your life back. Our knowledge has been passed down through centuries, being refined along the way from generation to generation. We believe in the occult, the paranormal, the spirit world, the mystic world.* The services here are based on the African Tradition Value system/religion, where we believe the ancestors and spirits play a very important role in society. The ancestors and spirits give guidance and counsel in society. They could enable us to see into the future and give solutions to the problems affecting us. We use rituals, divination, spells, chants and prayers to enable us to tackle the task before us.* I have experience in helping and
