IS AN EVIL EYE DIRECTED AT YOU?

The Evil Eye is one of the cruelest and harshest methods of retaliation. Not only can the Evil Eye be devastating to the intended victim, but it is also a "stealth" weapon, as the perpetrator can remain hidden and unknown.

The Evil Eye is a common belief in many cultures and religions. It is a powerful force that is real, and if not contained can indeed destroy a life. It is written that Socrates possessed the Evil Eye and that his disciples were mesmerized and somewhat fearful of the great philosopher's glaring eyes.

The Evil Eye could change your luck from good to bad in a matter of seconds. It could undermine your most important relationships, ruin your credit, shatter your career, and utterly destroy your confidence.

Are You an Unknowing Victim of the Evil Eye?

Ask yourself these important questions:

1. Has your luck recently taken a dramatic dive?
2. Has an important relationship suddenly turned sour?
3. Is everything going bad for you and you don't know why?

What you can do:

If the NFL has its focus on its team direction, there is something you can do about it. You have a plan on a vision. You can fight back. By approaching Barry Fegolo at 1-800-445-9, d-mail: bbarryfegolo@gmail.com.

But you must act quickly!

The first and most immediate thing you can do is cancel that Evil Eye. Because that Evil Eye is hidden for you in your direction, it can do you measurable harm.

If you desire retribution, you can also reverse the Evil Eye back toward the person who directed it at you. So while you are being liberated from the curse of the Evil Eye, you can inflict the effects of the Evil Eye
