I deliver my readings in a straight forward and compassionate manner. Rest assured, I will be honest with what I see for you. Tested and approved for my work, I have earned all my certifications as Psychic Medium in Durban. It is in the best interest of each client I come across to be honest with the reading I provide. I give the good and bad (be prepared) because life itself is a challenge and I am here to offer you every angle I can from a different perspective. If you are not ready for honesty, it will be a challenge to have a session with me.

I specialize in love and relationships (specialty), career/business, and money/finances. I DO NOT read on Health (including Pregnancies) or Legal issues as that is not my expertise.

I WILL NOT do precise timing so if you are looking for timing of any sort, then another expert might be more suitable for you. My belief is in Divine Timing where the Universe will decide when it is the right time for things to happen.
