How Does An Astrologer Approach A Solution To Your Problem? An astrologer's first and foremost step is to know everything about the relationship. How it started, when, and how it was going till now. What was the factor that made you feel that things are not going fine? When was the first time you felt a communication gap? These are some of the issues and questions that the astrologer will pick up with you. Afterward, he will do a reading of your birth charts trying to understand the factors of your life to know if you both are right for each other. Once he is through with all the readings and knowing things from you about your relationship, he will start to tell you why you are facing these differences in your relationship and how you should proceed towards working on them. Sheik Umaru will guide you on the remedies and mantras how you should use them at your home so that they don't have a reverse effect. #RamadanlovespellsCall/WhatsApp +27656842680babaumaru44@gmail.comwww.ramadanlovespells.comhhttps://twitter.com/BabaUmaru44https://www.dibiz.com/babaumaru44https://medium.com/@babaumaru44https://za.pinterest.com/babaumaru44/https://youtube.com/shorts/bj2MKf-lh7ghttps://www.instagram.com/babaumaru44/https://www.tiktok.com/@sheikumaru?lang=enhttps://www.linkedin.com/in/sheik-umaru-99a567254/https://www.facebook.com/Ramadaovespellsindurbanhttps://business.google.com/dashboard/l/04846913995549405845
