Falling in love with someone is one of the most powerful emotions a human being can experience. When you truly love someone, your world revolves around the thoughts of them. You are intoxicated by the desire to be with them at all costs. You believe and feel it in your soul that you are meant to be with this person forever. However, sometimes as fate should have it, you fall in love with someone who doesn't love you back. Perhaps you have never met them before, or they are in a relationship with someone else. In that case, you should understand that no one in the universe is unattainable with the use of a powerful spell to make someone love you.
