Our Abortion Services are legal and Safe offering same day Abortion/termination of pregnancy at an affordable price. Medical abortion is quick and does not need you to visit the clinic again. The abortion can be performed in the comfort of your own home. Even though you can order the abortion online for your discretion to be used at home, we shall monitor you through the whole procedure at all times.

With several years of experience in termination of pregnancies, our patient satisfaction levels and success rates are very high with this medical procedure because we make sure that we monitor you through the whole process.
