I have a Ducati ST4S up for sale. The bike is mechanically 100% condition and only has a few scratch marks as can be expected for normal wear and tear never been in accident and runs very strong. Please do not respond to the the add if u just want to go for a joyride the bike is in excellent condition and just had a new battery, regulator and starter clutch installed. R40 000 for the bike very comfortable rider as this is the sport touring version with a 996 cc.
