This content offers general guidance on coping with the loss of a relationship, although it doesn't involve spells or magic.

Here are some tips for healing:

Allow yourself to grieve: It's okay to feel sad, angry, or confused. Give yourself time to process your emotions.

Practice self-care: Focus on activities that bring you comfort and support your well-being.

Reconnect with loved ones: Spend time with supportive friends and family

Consider professional help: A therapist can provide guidance and support during this difficult time.

Remember: Healing takes time. Be patient with yourself and allow yourself to move forward at your own pace.
