Hi there girls and guys, are you at the age of 18 and up, have a fetish for tying guys up and wondered if there was a way of making money from it, to help pay for your school or collage fees? Well if you dont mind typing a guy with a disability up with your pillow over his face, this ad is for you.

I am looking for girls and guys who would be prepared to meet up, tie my wrists to a headboard and your pillow that you sleep on every night to my face while fucking me or edging my *****, making your pillow act as a blindfold while you use my disabled body for pleasure.

Rules

- * Your pillow must be tied to my face from the second you put me on the bed to the second we say goodbye
- * My eyes must not be uncovered by your pillow under any circumstances, when you feed me, my mouth must be uncovered while I eat then must be covered again
- * My disability must not prevent you from keeping your pillow tied to my face even when you feel its getting hard for me to breath

A photo of the pillow that you will be tying to my face and what you will be tying it to my face with must be taken and sent to an email address given to in a response to your reply to this ad

A sum of 50 grand will be given to you per weekend (3 days) that you have your pillow tied to my face
