You can't always figure out people's true intentions, and you can't tell what's happening behind the scenes and why. By telling you what I see, I may help you understand your present and the people in it. I may give you a spiritual understanding of the webs that connect your present with your potential futures.*

Let me try and help you with love spells, traditional healing, native healing, fortune telling, witchcraft, psychic readings, black magic, voodoo, herbalist healing, or any other service your may desire within the realm of african native healing, the spirits and the ancestors.*

I am a powerful sangoma and traditional healer. I could help you to connect with the ancestors. We try and facilitate the deepening of your relationship to the spirit world and the ancestors. Working in partnership with one's ancestors is a gift representing a close link with the spirit realm as a mediator between the worlds.*

I use different divination methods, frequently using methods that are long established within the realm of african traditional healing. We believe that our ancestors and spirits give us enlightenment, wisdom, divine guidance, enabling us to try and overcome obstacles holding your life back. Our knowledge has been passed down through centuries, being refined along the way from generation to generation. We believe in the occult, the paranormal, the spirit world, the mystic world.*
