

MAP sensor new for Polo Golf (797 R)

Location **Gauteng, Pretoria**
<https://www.freeadsz.co.za/x-32614-z>

Bought the wrong thing for a friend - this MAP is located on the side of the manifold (suitable MP9 motors) - I needed one located on top. Bought an hour ago and unable to return or exchange for the correct thing due to company policy. As you can see on the Invoice attached I paid R797 cash - make me a sensible offer if you need one of these and perhaps we can do business and you can save a few bucks while I limit my losses. Cash only. Call/Whatsapp
