

Landrover propshaft - brand new (1500 R)

Location **Gauteng, Pretoria**
<https://www.freeadsz.co.za/x-32615-z>

Running length around 95cm (slip-yoke in center of travel). Complete new imported from UK - part numbers on the item as per pics - if memory serves its for long wheelbase. I cannot remember which model Landi it was destined for - think its for LWB S3 6 cyl rear - clearing out the garage. If you can make use of it, there is a bargain to be had here. Cash or pre-confirmed EFT with postage costs in my FNB account. Call/Whatsapp
