Hager Werken Embalming Powder For Sale. Embalming Wholesale is the art and science of preserving human remains by treating them (in its modern form with chemicals) to forestall decomposition.

+27789155305 The intention is to keep them suitable for public display at a funeral, for religious reasons, or for medical and scientific purposes such as their use as anatomical specimens.[1] The three goals of embalming are sanitization, presentation and preservation (or restoration). Embalming has a very long and cross-cultural history, with many cultures giving the embalming processes a greater religious meaning.
