At Andrew Abortion Clinic, we understand that choosing to have an abortion is a deeply personal decision. Our goal is to provide you with the information and support you need to make the choice that is right for you. We are committed to providing high-quality care in a non-judgmental, we use non surgical method(termination pills) to terminate... women Clinic is committed to providing the highest quality of obstetrical and gynecological care to women of all ages. Our dedicated staff aim to treat each patient and His health concerns with compassion and respect. Our dedicated group of receptionists, nurses, and physicians have worked togetHis as a team for years caring for the women of SouthHisn Africa and its surrounding area. The years of commitment of our staff to Woman&apos;s Clinic and our patients span from three years to four decades. Thus; women Clinic offers the most experienced and dedicated staff in Africa It's important to know your options. At womens clinic Gynecology we are not an impersonal clinic, we are a privately owned and operated doctors office with over 35 years of experience. Offering a wide variety of termination services to help GP women receive the best possible ARE THESE PILLS SAFE? The pill is usually safer than surgical abortion but should only be considered in the first 12 weeks of pregnancy. Like any procedure, the use of abortion pills can result in complications but if used under the supervision of our medical Doctor, the chances of complications are greatly reduced. Your Doctor will be best suited to handle any complications should they arise. Our team is available to assist you at any time, ensuring you have the support you need throughout the process. Medical abortion offers a safe, effective, and non-surgical method for ending early pregnancy. With minimal risks and a painless experience, many women find this option to be a more natural and comfortable alternative to surgical procedures. By following the post-procedure care instructions, you can ensure your well-being and minimize any potential

complications. Our dedicated team is Hise to guide you every step of the way, providing the necessary information and support for this service. To order the pills, simply contact our clinic by phone or visit our website. DELIVERED TO YOUR DOOR. YOU ARE IN THE HANDS OF A WIDE RANGE OF OUR CLINIC. 00-z
