Popularity Booster Spell/manifestation +27639896887

Note: when ordering, please provide fullest name you can and date of birth of all those involved in the spell, thank you.

This is a quick and easy spell/manifestation to cast, but it can pack power. I thought it would make a good introduction spell to sample. This spell is basically the shadowing effects that automatically accompany all of my main spells/manifestations, but without the main spell/manifestation. With this item, you receive a booster to effects such as: Popularity and influence. With this spell you see an elevation in some or all of these areas, and the effect can range from a few months, years, or even for life... Note that this is a fast booster spell, not designed to be nearly as powerful as the main spells, but there are often surprises in small packages, as these small boosters can lead to great things. Note that more orders for this same spell will boost the energy of the spell.

Additional general notes below that may help answer questions...

When ordering, please provide fullest name you can and date of birth of all those involved in the spell, thank you.

SUPER SALE

Note that I plan to keep this item around for a limited time, just as my way of saying thanks, and as an introduction to the power of my spells and manifestations, because they are the absolute top of the line.

CURRENT HOURS

Note about store hours: I am technically open all day and night to receive orders. As for filling the orders/answering messages: on Fri- Sun I begin filling them around 10 am or so and stop filling around 11 pm.

Mon - Thurs I usually begin filling/answering around 2 or 3 pm and stop around 10/10:30 pm.

Help with digital download: I will send you a digital certificate after the order is complete (I may also send you a message directly in addition to this, just to reaffirm that the order was complete and say thanks, offer bonuses, etc :->). You will see the download option for your new manifestation certificate that will occur under "purchases reviews". Note that the option to review, etc should show up after the certificate is downloaded.

SPREADING THE ENERGY/CUSTOM ORDERS/ISSUES

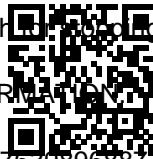

Note about spreading the energy: I look so forward to hearing about how your manifestation has helped you! This can greatly help spread the power of the manifestation for others, yourself and reflect back to me as well, so that the energy and inspiration can rise even higher! This may be done through word of mouth, reviews, and so forth. Positive expression really does help put the edge on the manifestation!

Likewise, if there are issues or you have suggestions, such as a spell you'd like to see (custom spell) please let me know and message me. I will work with you on custom orders for the right spell & good price.

Also note that once the work for the manifestation is complete, from there it may take time to see the peak of the results. Some see results immediately, others in a few weeks, sometimes longer. However, the more positive and the more you can sense the energy I intend to offer you, the more quickly results are often seen!

Thank you so much by. I look forward to helping you on your journey. -Jae
