Wicca Love Spells

This is a white magic spell to cast a beam of love energy to a specific person. They will feel this energy subconsciously, and it will make them more receptive to your love.

This is a white magic spell, so it doesn't force the person to love you, but it does purify the bond between you two, strengthening it with love energy, so that it is more likely for this specific person to love you back if their free will permits it. Contact prof for a Wicca love spell.
